SIR,

SUBJECT -- Enhanced expenditure under rent in respect of the Municipal High School at Davanagere and payment of a grant therefor.

Adverting to Government Order No E.466-68 Edn.233-41-8 dated 25th July 1942 sanctioning, among other things, an expenditure of Rs.600/- per annum, out of the funds of the above school under rent until a separate building for the school is constructed by the management, I have the --- honour to state that the Deputy Commissioner, Chitaldrug District, states that a building on a rent of Rs.66 per mensem has been taken up for the High School for a period of one year, as it was found that no suitable building could be had on a rent of Rs.50 per mensem and that the local Municipal Council have approved the enhanced expenditure of Rs.66/- per mensem under rent but have requested that half of this expenditure might be met by Government. The Deputy Commissioner proposes that, since a sum of Rs.600/- has already been ordered to be paid out of the Municipal funds towards rent, sanction may be accorded for the excess expenditure of Rs.16 per mensem for the purpose, one-half of the same being ordered to be met by Government till the end of the current official year.

I have already reported to Government the special circumstances --- under which this school was brought into existence, in my letter (D O) No.Dl.5682-437 of 41-42 dated 28th May 1942 I have also proposed therein that a part of the cost of rent might be borne by Government, as a special case. Since the cost to be borne by Government if the Deputy

Deputy ~~Director's~~ Commissioner's proposal is accepted is very small, i e , Rs.8/- per mensem being one half of the excess expenditure over Rs.50/- per mensem under rent, I recommend that Government may be pleased to sanction (1) the increased expenditure at Rs 66/- per mensem, under rent for the Municipal High School, Davanagere for a period of one year from the date from which the expenditure at that rate is actually incurred, and (2) the payment of a grant of Rs.8/- per mensem from the Department for the purpose during the same period. The extra cost involved for payment of the grant from the Department can be met out of the sanctioned grants for the same school in this year's budget

I have the honour to be,

Sir,

Your most obedient servant,

N J P/20-10.

1) NB ~~sent~~ grant is due in respect of the rent of the Municipal High School, Davangere The D.D. has recommended the payment of a grant of Rs 8/- p m as a Special Case, in view of the increased expenditure under rent It is for Consideration whether any grant paid towards the rent of a building for the M L High School, Davangere, may not become a precedent for others also to claim a similar Concession It may however be noted that building grants, though not strictly admissible - to Ml. High Schools at Holenarasipur, Krishnarajanagar and Hanasoge - have been given

	3) The increased expenditure on rent at the rate of Rs 66 p.m. may be sanctioned. As regards nearly half the excess expenditure from State funds, by way of grant, it may be stated that there is no provision under the rules for sanctioning grants from State funds towards rent. The amount is also small & it is not desirable to make a departure from even a small thing & create precedents. The extra expenditure may be met in full by the Municipal Council.
